

Topeka Storm Uniform Information

Hello and welcome to the Topeka Storm Softball family! Below you will find the information you will need in order to get your daughter outfitted for play this season.

1. Choose a Jersey Number

- The Storm Organization has over 100 athletes that wear a Storm Jersey. We do not allow for “overlaps” of numbers for girls within the same range of age divisions - for example a new 12U player will not overlap numbers with any current 10U, 12U, or 14U player. This helps as the girls get older and rosters “merge”.
- You will submit your daughter’s top 3 number choices to your team manager, then I will work with the team manager to assign a number to each athlete.

2. Order a Gold Storm T-Shirt

- T-shirts are primarily worn for Fall tournaments as game jerseys can take up to 6 weeks once the order is submitted. Jerseys will be worn for Spring/Summer play.
- T-shirts are ordered from Storm Printing at <https://form.jotform.com/80203828706152>
PLEASE DO NO ORDER A T-SHIRT UNTIL YOUR NUMBER IS CONFIRMED
- Storm Printing offers an array of fan wear as well, so here is where you can find hoodies, tank tops, shirts for dad, grandma, or whatever suits your desire :)

3. Pants

- Pants are ordered through Boombah - here is a direct link:
<https://www.boombah.com/us/product.html?item=211210>
- Each athlete needs a minimum of one (1) pair of pants

4. Socks

- Each athlete will need at minimum one pair of solid gold socks, and one pair of white socks. These can be found at Academy Sports or Dicks sporting goods for a fairly reasonable price.
- Custom socks are worn by many of the Storm teams during Spring and Summer seasons. Sock orders must be placed in bulk - so I will be taking orders for custom socks later this fall

5. Jerseys

- Jerseys will be ordered through an online team store from Center Sports, KC.
- When numbers and rosters have been finalized, here is the direct link to order:
