### Tryout Location

All tryouts will be held in Silver Lake, Kansas at the Lion's Club Field, located behind the Phillips 66 on the south end of town.

Our organization was founded in May 2009 with a goal to coach student athletes in a positive environment, based on respect, honesty, and integrity. Storm athletes are exposed to the highest level of coaching with two high school softball coaches and a previous D1 college coach on staff.

You'll notice our tryouts are after World Series, not before, and you may wonder why? Simply put, we believe it's unethical to have tryouts with games remaining on the schedule. Before you commit to another team, I hope you give your daughter the opportunity to see how much she will learn in our system and have a blast doing it.

Our tryouts are similar to our practices, fast paced, demanding and a whole lot of fun. Your daughter's skill level will be evaluated on her fielding efficiency, softball knowledge, "POP" time, speed, hitting effectiveness and coachability. She might learn more during our tryout than she did last season. Teaching softball is what we do, and we love it.

We have roster spots available for athletes and families wanting to join a winning organization and become part of our family. If you're interested in a tryout please fill out the information below and bring it with you to the age appropriate tryout listed on the left side of this page. If you have any questions about the Storm or wish to set up a private tryout, please call Buck Breckenridge at 969-5440.
